CHALLENGE

We are so thankful for our church family's commitment to pray as we continue to navigate life in this unexpected season.

**MONDAY - SICK & VULNERABLE**

Most of us have never experienced a time when our personal health was as much of a focus of our every day function as it is right now. On this day, we pray for those who are sick, and for those whose current physical condition makes them more susceptible to being affected. We pray for strength, healing and peace through it all.

**TUESDAY - FINANCES & UNEMPLOYMENT**

While there is a lot of unknown in our world, one thing that we know is that it does take money to meet physical needs, like food and housing. We want to lift all of those whose income has been suspended or is less than they need. We serve a big God who can see all that we can't, and we are trusting Him to see us through!

**WEDNESDAY - FRONTLINE & HEALTHCARE WORKERS**

In Isaiah 41:10, God tells us, "I will strengthen you and help you. I will hold you up with my victorious right hand." Let's continue to pray His support over the frontline and healthcare workers, who are sacrificing every day to meet the needs of those in front of them. We want to pray that they would be able to find refreshment, not only physically but spiritually.

**THURSDAY - STUDENTS & PARENTS**

This is an especially unique time for parents and students to be home together. There can be a lot of unnamed emotion that is stirring, for people of all ages. Let's go before God together, asking for His peace that passes all understanding to cover over homes and families during this time. We also want to pray for unique opportunities for relationship to grow between parents and children, and between siblings. This time can be a gift!

**FRIDAY - LEADERS**

Making decisions that affect masses of people carries an unimaginable weight. We want to lift up those who are in those leadership positions locally, nationally and globally. We pray that God gives clear direction and His wisdom, clear direction and discernment to our leaders as we walk out days ahead.

**SAT & SUN - THE CHURCH & CHURCHES**

We have seen the Church rise up in a beautiful way during this season. We are blessed to partner with the other churches in BEING the church to the world around us. Pray with us for unity to increase the Church's impact, and for those who will encounter God for the first time as a result of this season!
